

CURRICULUM VITAE – Dana Lassri

PERSONAL DETAILS

Date of birth: February 20, 1981.

Place of birth: Israel.

Address: P.O box 439, Kibbutz Harel, Israel.

Phone number: +972 (0) 50 8568375

Work phone number: +972 (0) 25882203

E-mail address: Dana.Lassri@mail.huji.ac.il

Clinical psychologist registration number (Israel): 91189

Family Status: Married + 1 (eight months old)

HIGHER EDUCATION

2003 – 2006 B.A., (Summa cum laude), Behavioral Sciences (Psychology, Sociology, Anthropology), Department of Psychology (formerly Department of Behavioral Sciences), Ben-Gurion University of the Negev.

(Combined M.A. / Ph.D. track),

2006 – 2008 M.A. (Magna cum laude), Clinical Psychology, Department of Psychology, Ben-Gurion University of the Negev. Supervisor: Prof. Golan Shahar.

2008 – 2014 PhD (Combined M.A. / Ph.D. track), Department of Psychology, Ben-Gurion University of the Negev. Supervisor: Prof. Golan Shahar.
Title of dissertation: The effect of childhood maltreatment on romantic relationships in young adulthood: The mediating/moderating role of personality.

2014 - 2017 **Post-doctoral studies.** Research Department of Clinical, Educational and Health Psychology, University College London (UCL), UK. Hosts: Prof. Peter Fonagy, Prof. Mary Target, and Prof. Patrick Luyten.

APPOINTMENTS AT THE HEBREW UNIVERSITY

7/2020 – Current **Lecturer**, The Paul Bearwood School of Social Work and Social Welfare, The Hebrew University of Jerusalem.

ADDITIONAL FUNCTIONS/TASKS AT THE HEBREW UNIVERSITY

2020 – 2022 **Member**, Teaching Committee. The Paul Bearwood School of Social work and Social Welfare

2021– Current **Member**, Ethics Committee. The Paul Bearwood School of Social work and Social Welfare.

2021– Current **Member**, Culture and Welfare Committee. The Paul Bearwood School of Social work and Social Welfare.

2022 – Current **Member,** The Hebrew University Senate

SERVICE IN OTHER ACADEMIC AND RESEARCH INSTITUTIONS:

- 2007 - 2012** **Lab Manager,** Prof. Golan Shahar's lab- The Stress, Self & Health (STREALTH) Lab. Department of Psychology, Ben-Gurion University of the Negev.
- 2007 – 2013** **Non-formal mentorship** of BA students in their research projects, as part of a practical experience in research for undergraduate (BA) students. Prof. Golan Shahar's lab, Department of Psychology, Ben-Gurion University of the Negev.
- 2014 - 2017** **Research Associate,** The Anna Freud National Centre for Children and Families, London.
- 2014 – Current** **Fellow,** The Haruv Institute.
- 2017 – 2019** **Teaching Associate- Adjunct Lecturer,** The MA in Educational Psychology Program, Department of Education, Ben-Gurion University of the Negev.

- 2021 **Member**, Work group: Pre-school children during COVID-19, Israel Ministry of Education.
- 2022 **Member**, Round-table - ethical issues in sensitive research, Israel Ministry of Education.

RESEARCH GRANTS

- 2010– 2014 **The Israel Foundations Trustees (IFT)**- The competition for Research Grants for Doctoral Students in the Social Sciences. A research grant award given to Dana Lassri (Doctoral Grant 29). (\$9,500). Publications #3-6, #10, #20, #23.
- 2015 **The National Society for the Prevention of Cruelty to Children (NSPCC)** Expert Support with Therapeutic Foster Care *Scoping* Project grant. Co-PI with Prof. Patrick Luyten as Co-PI, Prof. Peter Fonagy, Dr. Nick Midgley, and Prof. Eia Asen as Co-Is. £8,500 (\$13,300). Publication #29.
- 2016 **The National Society for the Prevention of Cruelty to Children (NSPCC)** Expert Support with Therapeutic Foster Care *Development* Project grant. Co-PI with Prof. Peter Fonagy, Dr. Sheila Redfern, Prof. Patrick Luyten, and Dr. Nick Midgley as Co-PIs. £50,000 (\$74,000). Publications #11, # 33.
- 2018 **The Haruv Institute** research grant “The implications of statutory rape on young adults’ intimate relationship and wellbeing. PI with Dr. Dafna Tener as Co-PI (\$3,500). Publication #17.
- 2020 **The Haruv Institute research grant**. The ability to face the COVID-19 pandemic: focusing on emotional and intimate wellbeing, risk and resilience factors, and the potential role of childhood trauma. PI with Dr. Ateret Gewirtz-Meydan as Co-PI. 12,000 NIS (\$3,500). Publications #15-16, #21, #24-25

2021	The Israeli Ministry of Education, Office of the Chief Scientist. Coping with COVID-19 pandemic: Teachers' well-being, risk and resilience factors (Arab, Druse). PI with Prof. Mona Khoury-Kassabri and Dr. Ruth Gottfried as Co-Is. 48,950 NIS (\$15,150). Publications #26, #30.
2021	The Israeli Ministry of Education, Office of the Chief Scientist. Coping with COVID-19 pandemic: Teachers' well-being, risk and resilience factors (Jewish secular and religious), PI with Prof. Mona Khoury-Kassabri and Dr. Ruth Gottfried as Co-Is. 48,950 NIS (\$15,150). Publications #26, #30.
2021– 2023	The Israeli Ministry of Education, Office of the Chief Scientist. Coping with COVID-19 pandemic: Preschool teachers' and children's well-being, risk and resilience factors. PI with Dr. Noga Cohen (Co-PI) and Dr. Joy Bentov (Co-PI). 399,619 NIS (\$123,680). Publication #31.
2023– 2025	The Israeli Ministry of Education, Office of the Chief Scientist. An evaluation of the "Friendship and Romantic Relationships Without Violence" Program PI with Dr. Ohad Gilbar (Co-PI). 299,940 NIS (\$89,100).
2024-2025	The Israeli Ministry of Education, Office of the Chief Scientist. Adolescents' coping with the Iron Sword War crisis: Well-being, academic performance and resilience factors. PI with Dr. Noga Cohen (Co-PI) and Dr. Joy Bentov (Co-PI). 50,000 NIS (\$16,000).
2024-2025	The Israeli Ministry of Education, Office of the Chief Scientist. Teachers' coping with the Iron Sword War crisis: Well-being and resilience factors- Enhancing Resilience through Online Interventions. PI with Dr. Noga Cohen (Co-PI) and Dr. Joy Bentov (Co-PI). 50,000 NIS (\$16,000).

TEACHING AT THE HEBREW UNIVERSITY

Supervision of Master's and Doctoral degree students

MA students

2021– 2022	Samara Badawieh
2022– 2023	Lior Nissan (with Dr. Noga Cohen and Dr. Joy Benatov)
2022– Current	Elad Afriat
2022– Current	Shani Jakov
2022– Current	Doron Landau
2023– Current	Reut Haelion
2023– Current	Noa Amikster Oren (with Prof. Ruth Pat-Horenczyk)
2023– Current	Lior Elimelech (with Dr. Ohad Gilbar)
2023– Current	Aviva Gershon (with Dr. Ohad Gilbar)

Doctoral Students

2023– Current Dana Rose Cohen (with Dr. Ohad Gilbar)

Courses Taught

Graduate level

Data Processing and Data Analysis, Master of Social Work (MSW).

Scientific Thought and Research Design, Master of Social Work (MSW).

Integrative Psychotherapy, Master of Social Work (MSW). School of Social

Clinical Practicum: Mentalization-Based therapy and clinical interventions.

Introduction to Trauma: Theory and treatment. Master of Social Work (MSW).

Social and clinical perspectives: Significant and traumatic life transitions. MSW.

Undergraduate level

Social Psychology. BSW. School of Social Work and Social Welfare, The Hebrew University of Jerusalem.

LECTURES AND PRESENTATIONS

Participation in Scientific Conferences/Meetings

Travel fellowships were awarded for international presentations.

Lassri, D., & Shahar, G. (May 2010). Exploring revictimization: The effect of childhood maltreatment on romantic relationships in young adulthood: The mediating/moderating role of personality. Talk given at *The Bridge: Anna Freud Centre-Yale Child Study Centre Psychoanalytic Research Training Program*. Yale Child Study Center, CT, USA.

Lassri, D., & Shahar, G. (July 2010). Self-criticism as a mediator of the link between childhood emotional maltreatment and young adults' romantic relationships. Poster

presentation at *the 15th European Conference on Personality (ECP15) of the European Association of Personality Psychology (EAPP)*, Brno, Czech Republic.

Lassri, D., & Shahar, G. (June 2011). Childhood emotional maltreatment and romantic relationships in young adulthood: The mediating role of self-criticism. Poster presentation at *the International Conference “Kaleidoscope of Child Maltreatment”, University of Haifa and The Haruv Institute*, Haifa, Israel.

Lassri, D., & Shahar, G. (July 2011). The interplay between personality, childhood emotional maltreatment, and romantic relationships in young adulthood. Oral presentation at *the Conference of the International Society for the Study of Individual Differences conference (ISSID)*, London, UK.

Lassri, D., Cohen, G., Luyten, P. & Shahar, G. (July 2011). The effect of childhood emotional maltreatment on romantic relationships in young adulthood: A double mediating model involving self-criticism and attachment. Poster presentation at *the Conference of the International Society for the Study of Individual Differences conference (ISSID)*, London, UK.

Itzhaky, L., **Lassri, D.** & Shahar, G. (July 2011). When efficacy becomes a risk factor. Poster presentation at *the Conference of the International Society for the Study of Individual Differences conference (ISSID)*, London, UK.

Schiller, M., **Lassri, D.**, Soffer-Dudek, N., & Shahar, G. (July 2011). Self-efficacy (a resilience factor) as a moderator of the aversive effect of dissociation on psychopathology. Poster presentation at *the Conference of the International Society for the Study of Individual Differences conference (ISSID)*, London, UK.

Cohen, G., **Lassri, D.** & Shahar, G. (October 2011) Object relations and project relations: The associations between mental representations (self, others) and personal goals. Poster presentation at *the 5th Conference on Emerging Adulthood (5CEA 2011), of the Society for the Study of Emerging Adulthood (SSEA)*, Rhode Island, USA.

Lassri, D., Cohen, G., Luyten, P. & Shahar, G. (July 2012). The effect of childhood emotional maltreatment on romantic relationships in young adulthood: A double mediating model involving self-criticism and attachment. Oral presentation at *the 16th European Conference on Personality (ECP16) of the European Association of Personality Psychology (EAPP)*, Trieste, Italy.

Soffer-Dudek, N., **Lassri, D.**, & Shahar, G. (May 2013). A dissociative absorption: a statistically unique, and clinically significant, dissociative factor. Talk given at *the 25th Annual Convention of The Association for Psychological Science (APS)*, Washington DC, USA.

Lassri, D., & Shahar, G. (October 2013). Exploring revictimization: The impact of childhood maltreatment on young adulthood romantic relationships: The mediating/moderating

role of personality. Talk given *at The Haruv Institute international mentoring workshop for PhD students*. The Haruv institute, Jerusalem, Israel.

Lassri, D., Luyten, P., Fonagy, P., & Shahar, G. (April 2015). The impact of childhood sexual abuse on romantic relationships: the mediating role of personality vulnerability and attachment. Poster presentation *at: Implications of Research on the Neuroscience of Affect, Attachment and Social Cognition Conference, of the Research Department of Clinical, Educational and Health Psychology, University College London (UCL) in association with The Anna Freud Centre*, London, UK.

Lassri, D., Luyten, P., Fonagy, P., & Shahar, G. (August 2015). The impact of childhood sexual abuse on romantic relationships: the mediating role of personality vulnerability and attachment. Oral presentation *given at the 7th international attachment conference of the Society for Emotion and Attachment Studies (SEAS)*, New York City, NY, USA.

Lassri, D., Fonagy, P., Midgley, N., Asen, E., & Luyten, P. (February 2016). A mentalization based integrative intervention for looked-after-children and their foster-carers. Poster presentation *at: 3rd International Conference on Mentalization-Based Therapy (MBT)*, Geneva, Switzerland.

Lassri, D., & Bitton, L. (July 2017). An integrative mentalization-based intervention for adolescents experiencing Tics and/or Tourette syndrome. Oral presentation *given at the 17th International Congress of the European Society for Child and Adolescent Psychiatry (ESCAP)*. Geneva, Switzerland.

Lassri, D., Bitton, L., Hoter-Ishay, G., Garber-Epstein, P., Mashiach-Eizenberg, M. & Roe, D. (October 2017). Headspace Israel: An integrative clinical model providing psychological services focusing on prevention and early intervention and preliminary findings. Oral presentation *given at the European Network for Mental Health Service Evaluation congress (ENMESH)*. Groningen, the Netherlands.

Lassri, D. (December 2017). A mentalization-based integrative intervention for looked-after-children and their foster-carers. Oral presentation *given at the Haruv Institute Second International Conference*. Jerusalem, Israel.

Lassri, D. (December 2017). Undetected scars? Self-criticism, attachment, and romantic relationships among otherwise well-functioning childhood maltreatment survivors. Oral presentation *given at the Haruv Institute Second International Conference*. Jerusalem, Israel.

Lassri, D. (2018). A mentalization-based integrative intervention for looked-after-children and their foster-carers. Oral presentation *given at the "Developmental Psychology and Prevention" international mini conference of the European Association for Developmental Psychology (EADP)*. Tel Aviv, Israel.

Lassri, D. (December 2018). Relational work with parents: Mentalizing as a common therapeutic language. A workshop given *in the Israeli convention for educational psychologists*. Eilat, Israel.

Lassri, D. (March 2019). “When the Child is Everywhere, but Nowhere”: Mentalization-based therapy for parental conflict- Parenting Together; Invited keynote speaker, a talk given *in the First Haruv-Bar Ilan conference*. Bar-Ilan University, Ramat-Gan, Israel.

Lassri, D. (March 2019). “Undetected Scars? self-criticism, attachment, and romantic relationships among otherwise well-functioning childhood maltreatment survivors”. A talk given *at the 2nd Child Maltreatment and Well-Being-Conference (CMW II): challenges across borders, research and practices*. Berlin, Germany.

Lassri, D. (November 2019). Mentalizing as a compass of educational psychologists working in educational systems. A workshop given *in the Israeli convention for educational psychologists*. Eilat, Israel.

Lassri, D. (November 2021). “When the Child is Everywhere, but Nowhere”: Mentalization-based therapy for parental conflict- Parenting Together; Invited keynote speaker *at the Israeli convention for educational psychologists*. Eilat, Israel.

Lassri, D. (November 2021). Mentalizing and self-compassion as a compass of educational psychologists working in educational systems. A workshop given *in the Israeli convention for educational psychologists*. Eilat, Israel.

Lassri, D. Tener, D. & Gewirtz-Meydan, A. (October 2021). “When I said it was my mom, they didn’t believe me”. Presenter and co-chair of a conversation circle *in “A Call to Action to Change Child Welfare” Kempe Center's International Virtual Conference*.

Wasser, O., **Lassri, D.**, & Tener, D. (January 2022). From Lover to Exploiter: Adolescents' Perspectives of the Older Person Following Sexual Relationships with Adults. Poster presentation *at the “Social Work Science for Racial, Social, and Political Justice” -26th annual conference of the society for social work and research (SSWR)*, Washington DC, USA

Lassri, D. (March 2022). Endometriosis: One Illness, Different Women: The contribution of Risk and Resilience mechanisms. Invited keynote speaker *at “You are at the center”- Endometriosis- Integrative therapy. The Center for Endometriosis Treatment Conference*. Sheba Medical Center, Ramat Gan, Israel.

Lassri, D. (July 2022). Endometriosis: One Illness, Different Women- Latent profiles of psychosocial risk and resilience mechanisms and psychological well-being. A talk given *at the 20th Congress of the International Society of Psychosomatic Obstetrics & Gynecology (ISPOG)*. Vienna, Austria.

Lassri, D. (December 2022). Parenting Together: Mentalization-based couple therapy for parental conflict. A workshop given *in the Israeli convention for educational psychologists*. Eilat, Israel.

Lassri, D. (February 2023). Romantic Relationships in the shadow of childhood maltreatment- the role of self-compassion and mentalizing in enhancing resilience. Invited keynote speaker *at the annual conference of the International Research Network on Transitions to Adulthood from Care (INTRAC)- Israel*. Tel-Aviv, Israel.

Lassri, D. (May 2023). Breaking the Cycle: Mentalizing moderates and mediates the link between childhood sexual abuse and satisfaction with adult romantic relationships. Oral presentation given *at the Haruv Institute Third International Conference*. Jerusalem, Israel.

Lassri, D. (July 2023). The mediating role of self-compassion between childhood maltreatment and satisfaction with intimate relationships. Oral presentation to be given *at the 44th International Conference of the Stress, Trauma, Anxiety and Resilience (STAR) Society*. Faro, Portugal.

Selected invited Lectures or Workshops

Lassri, D. (April 2014). The effect of childhood maltreatment on romantic relationships in young adulthood: The mediating/moderating role of personality. Talk presented at *the department of psychology, Ben-Gurion University of the Negev*. Beer-Sheva, Israel.

Lassri, D. (March 2015). A modular Mentalization-Based Treatment intervention for foster-care children and their carers. Talk presented at *the Anne and Henry Zarrow School of Social Work, The University of Oklahoma-Tulsa*. OK, USA

Lassri, D. (June 2015). Therapeutic interventions for looked-after-children and their foster-carers: a comprehensive review of existing interventions and future directions. Talk presented at *the Faculty of Psychology and Educational Sciences, KU Leuven*, Leuven, Belgium.

Lassri, D. (September 2015). A modular stepped-care mentalization-based intervention for looked-after-children and their foster-carers. Talk presented at *the Faculty of Psychology and Educational Sciences, KU Leuven*, Leuven, Belgium.

Lassri, D. (March 2016). Mentalization-Based interventions with Looked After Children and their carers. Talk presented at *the Research Department of Clinical, Educational and Health Psychology, University College London (UCL)*, London, UK

Lassri, D. (February 2017). To see ourselves from the outside, and others from the inside: Mentalizing as a common therapeutic language in comprehensive educational and residential settings. Talk presented at *Kaplan medical center- psychological services, Rehovot*, Israel.

Lassri, D. (April 2017). To see ourselves from the outside, and others from the inside: Mentalizing as a common therapeutic language in comprehensive educational and residential settings. Talk presented at *Adanim Youth Village (boarding school) conference*. Beit Kama, Israel.

Lassri, D. (February 2018). To see ourselves from the outside, and others from the inside: Mentalizing as a common therapeutic language. Talk presented at The Child Psychiatry, Schneider Children's Medical Center of Israel, Petah Tikva, Israel.

Lassri, D. (January 2021). Mentalization based interventions with children and their families in the context of severe chronic stress. Talk presented at The Center for Psychological Services, Sha'ar HaNegev, Israel.

Lassri, D. (April 2021). "When the Child is Everywhere, but Nowhere": Mentalization-based therapy for parental conflict- Parenting Together. Talk presented at The Child Psychiatry Division, Sheba Medical Center, Ramat Gan, Israel.

Lassri, D. (April 2023). Endometriosis: One Illness, Different Women: Treatment and psychological interventions. Talk presented at The Center for Endometriosis, Sheba Medical Center, Ramat Gan, Israel.
